2017 High School Band Participation Fee

There are multiple ways to support your student and the Mattawan Band Program:

- attending competitions, concerts and football games
- volunteering at an event or fundraiser
- helping feed the marching band at football games or competitions
- assisting with after-concert dessert potlucks
- working a concession stand shift
- helping with uniform fittings and maintenance
- band member participation

Other than concession revenues and fundraisers, which offset the cost of running the program, our only other major income source is your Band Participation Donation. Mattawan Band Boosters are a non-profit 501(c)3 organization, so these donations are tax deductible! The amounts we request vary by grade level because as the students advance in the band program, so does the cost to support these programs.

The Mattawan School District proudly supports our band program covering the cost for...

- Instructional Staff (Directors / Para-pro)
- Music / Arrangement / Drill
- Transportation
- School-owned Instruments
- Competition & Festival Entry Fees
